

AvL Technologies
designs for ultimate performance

18th April 2013

TO WHOM IT MAY CONCERN

Dear Sir/Madam

We, AvL Technologies, Inc. (AvL), hereby confirms that Radio and Television Research & Technology Center, LLC (RTV RTC) of Moscow, Russia, is an authorized sales and service representative for AvL satellite antenna products in the territories of Russia and the CIS. RTV Center are responsible for both sales promotion and the provision of high-level support services to customers in these regions on behalf of AvL. AvL fully supports RTV RTC in these sales and after sales activities.

Yours sincerely,

Steve McGuinness
Vice President and Sales Director
AvL Technologies, Inc.
